STAY CONNECTED FOR THE HORSE'S LIFETIME

Initials

Updates & photos

I will provide a brief care update and recent full-body photos at 30 days, 90 days, 6 months and 12 months after adoption, then annually for the horse's lifetime.

Initials

Current contact & location

I will notify the rescue within 14 days of changes to my contact details or the horse's location, and provide the new address and caregiver information.

Initials

Welfare follow-up

I will respond to reasonable follow-up requests and cooperate with a scheduled visit or video check-in. I will promptly report serious health concerns or the horse's death.

Initials

Before a change of home

Before selling, gifting, leasing or otherwise transferring the horse, I will contact Dirt & Sundays to discuss the plan and how alumni follow-up will continue. If I cannot keep the horse, I will contact the rescue for assistance.

PHOTO USE & ACKNOWLEDGMENT

Required care updates are kept in the rescue's alumni record. Public sharing is optional and does not affect adoption consideration.

- [ ] I permit public sharing of submitted horse photos and recovery stories.
- [ ] Keep my updates private; ask before any public sharing.

I confirm my answers are accurate and acknowledge the alumni follow-up expectations above. This form records application and follow-up information; submission does not approve adoption or transfer ownership. Separate placement terms must be finalized before the horse leaves rescue care.
